DEPARTMENT OF MENTAL HEALTH POLICY/PROCEDURE

SUBJECT COMPLIANCE WITH LACDMH PRACTICE PARAMETERS	POLICY NO. 302.01	EFFECTIVE DATE 01/28/2014	PAGE 1 of 1
APPROVED BY:  Director	SUPERSEDES 202.35 01/28/2014	ORIGINAL ISSUE DATE 05/01/2007	DISTRIBUTION LEVEL(S) 1, 2

PURPOSE

- 1.1 To establish a Department-wide policy that establishes the expectation of compliance at the Policy Level for published Los Angeles County Department of Mental Health (LACDMH) Clinical Practice Parameters.

POLICY

- 2.1 Clinical interventions in LACDMH directly-operated and contract agency programs must be within approved LACDMH clinical parameters, unless accompanied by documentation in the clinical record that suitably justifies the reason for any intervention that falls outside of those parameters. It is the responsibility of directly-operated and contract agency managers to ensure that their clinical staff are informed of published clinical practice parameters by reviewing them on a regular basis on the LACDMH website or through other means.
